Yes, absolutely. I'll set up a call-in number, because I'm not sure we can directly conference in multiple lines.

Jasmine and Micheline,

I was speaking with Nathalie Dougherty, the DOI solicitor who represents BLM, regarding another matter, but it occurred to me that maybe we'd want to include her in the conversation tomorrow at 10. She's only available for 15 minutes then, but it may be good to say hey. We can then discuss anything for which you'd rather speak directly with EPA, and schedule another time to speak about EPA/BLM issues, such as the pending 3-way MOU that we discussed not too long ago. If you can include her in the call, her number is (503) 872-2784. If you'd rather not, we can catch her another time, and I'm sure it's not a problem.
